

# Red, crusty, swollen, sticky eyes?

You or your child may be experiencing Bacterial Conjunctivitis, commonly known as Pink Eye.

To receive treatment – and take part in an international clinical research study for an investigational eye drop compared to a marketed drug product – contact:

<PHYSICIAN'S NAME>

<ADDRESS>

<STREET, CITY, ZIP>

<PHONE>

<WEBSITE INFO>

**Project**PinkEye

The study involves three visits, over a period of approximately eight days. Participants will receive compensation for taking part in this study. Study related eye exams will be performed by a local eye care practitioner free of charge.
