

FRUSTRATED WITH TYPE 2 DIABETES?

Are you taking metformin/glucofage, exercising and eating healthy? If you are doing everything right to control your diabetes...

And your blood sugar level is still too high. We may have an option for you.

Dr. Michael Lillestol is currently conducting a research study of a new investigational medication for Type 2 diabetes.

If you qualify, you will receive all study-related care and medication (at no cost). You may also be compensated for your time and travel.
