

PNEUMONIA VACCINE STUDY

LILLESTOL RESEARCH LLC

Think back...

Has it been at least five years since you last had a

**PNEUMONIA VACCINE?**

Lillestol Research is currently seeking men and women seventy years of age and older for a clinical research study to evaluate the immune response to an investigational pneumonia vaccine. Qualified participants will receive study related care and either the investigational pneumonia vaccine or a currently approved pneumonia vaccine at no cost and may be compensated for their time.
